Hi JD,

An extension is hereby granted to August 31st, 2012 to submit the required clean copies of the Midterm Review submittal. Thank you for your diligence in completing this requirement.

Daron R. Haddock

Daron,

Utah American Energy requests an extension to complete the 6 clean copies of the Midterm Completion that are being prepared for incorporation. August 31st should be an ample amount of time to get these clean copies finished and turned in to DOGM. Thank you for your time and consideration.

Thank You
JD Leonard
